Our school is great!

Reading is fun.

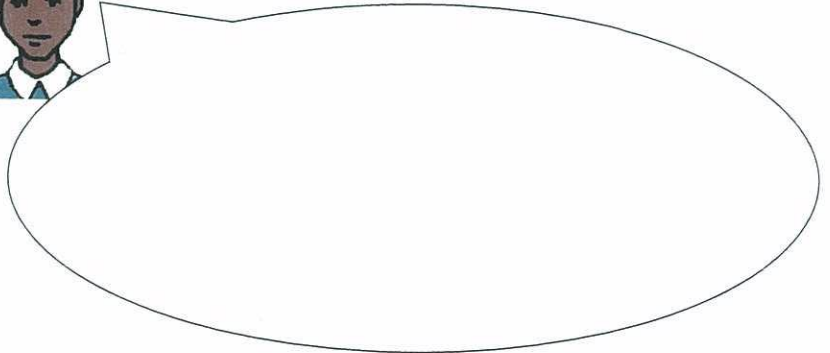

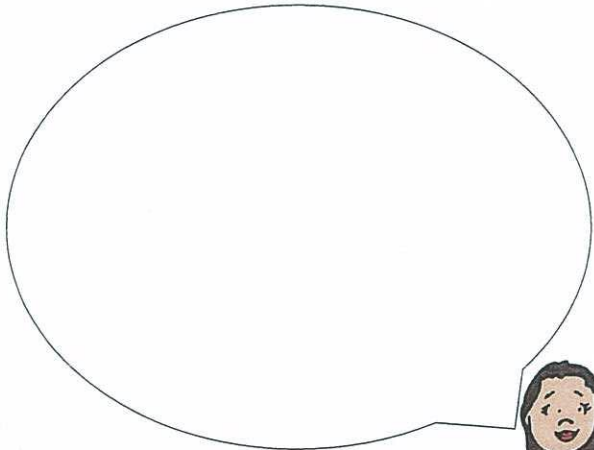

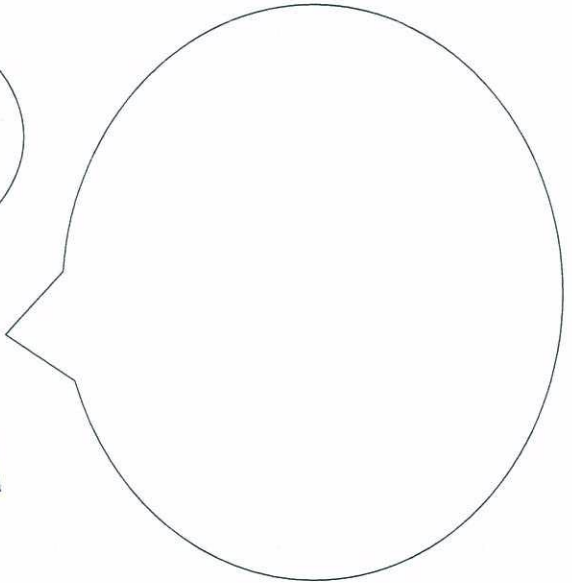

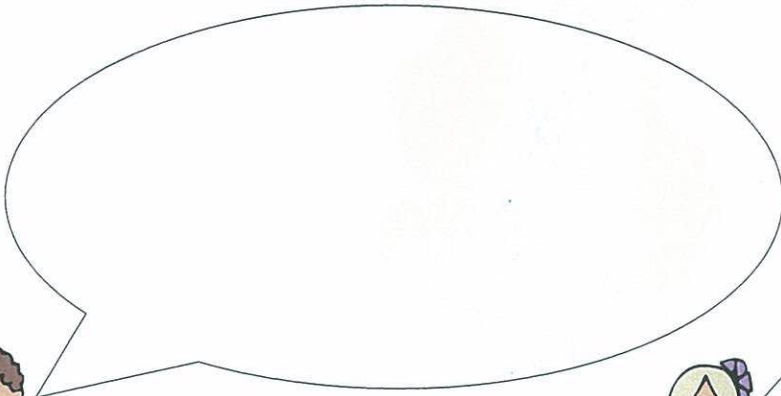

We accomplished our goal and raised ___ \$.

Activity 1 – What does student involvement mean to you?

Student involvement has different meanings for people. Write down what it means to you in the "thought bubbles" below. You might want to look at page 1 for some ideas.

Activity 2 – Comparing Your Ideas

Share your ideas from page 2 with a partner or small group.

Were your ideas all the same?

Did you get some new ideas you liked?

Review what you wrote about student involvement on page 2. If your ideas about it have changed, write your new ideas below.

Activity 3 – Class Discussion and your Teachers’ Views

In Activities 1 and 2 you did some thinking and talking about what student involvement means in Grade 7. Your teacher will guide a brief discussion based on your thinking so far and will provide some thoughts on the topic for you to consider.

Did any ideas come up in the class discussion that were different to ideas that came up in Activity 1 and Activity 2? (You might want to check your Activity 1 and Activity 2 notes.) Describe the new ideas below:

What do you think your mum, dad, or guardian might think student involvement is?
