

Get your students on board with Mathletics!

Mathletics

An MFNERC & Mathletics Partnership

COVID-19 has thrown a lot of us into territory we've barely trod – distance teaching. There's a lot to manage, whether we're prepping teachers to teach remotely or trying to keep motivation alive with students already learning from home. Hence, we have partnered with MFNERC to better support our students, teachers and parent community!

New Schools

Not yet using Mathletics?
Get your entire school started for FREE until June 30, 2020.

If you are interested or would like more information on how to get your students engaged with Mathletics, contact :

Payal Agarwal
payal.agarwal@3plearning.com

Existing Schools

Already using Mathletics with some of your students?
Want to add the rest of your school on the program for free until June 30, 2020?

Great! Send us your new classes and student information to get you started. To learn more contact :
