Your Savings

- from summer and part-time jobs
- gifts from parents and grandparents

Family/Parent savings

- Registered Education Savings Plans (RESPs)

Other Funding

- Band funding, Education Authority funding, Manitoba Metis Federation funding
- Employment and Training Services funding, Canadian Armed Forces (Reserves)

Apprenticeship Programs - Learn a trade! See www.gov.mb.ca/tradecareers

Co-op Programs - Earn while you learn!

Bank Loans/Student Lines of Credit

Bank loans will help fund your studies, but you may have to pay the interest while you're in school.

Government Student Loans - Interest-free while you're in school – that's a significant benefit!

If you qualify for Manitoba Student Aid:

- The program provides supplemental assistance but it might not cover all costs.
- You and your family may be expected to contribute.
- Maximum is \$350 per week but not everyone gets the maximum.
- You have to provide information to support your request for financial assistance.
- Most assistance is in the form of loans you have to pay back.

You've determined the resources you have to pay for your education. Will they cover all of your costs? If not, and you still have a remaining need as shown above, then you may need to find other ways to cover your costs.

Manitoba Student Aid is one of the resources you may wish to consider. Manitoba Student Aid provides financial assistance which supplements your resources and those of your immediate family. Assistance is based on an assessment of financial need and is provided primarily in the form of loans, which must be repaid after the program of studies ends. Some non-repayable grants and bursaries are also available.
