

TECHNICAL VOCATIONAL EDUCATION FACILITATOR (TERM)

Authority

The Technical Vocational Education facilitator works under the supervisory function of the Languages and Cultures Coordination Team.

Purpose

The Technical Vocational Education facilitator is responsible for coordinating all aspects of technical vocational programming for Manitoba First Nations schools. The Technical Vocational Education facilitator will provide an interdisciplinary approach to technology education programming and ensure an effective delivery system that links education, technical vocational education and career development.

Specific Responsibilities

- Support First Nations schools with technical vocational education planning and programming to meet the needs of students, schools and the broader community;
- Assist teachers to implement technical vocational programs in First Nations schools;
- Establish a professional learning community for technical vocational education teachers;
- Remain up to date on current labour market information and trends and be able to apply this information in daily work;
- Lead, coordinate, organize and facilitate professional learning opportunities for teachers in the area of instruction, curriculum and assessment related to technical/vocational programming both in person and virtually;
- Assist First Nations schools with meeting technology education facility requirements;
- Remain up to date on current technical vocational program practices and emerging trends;
- Liaise with First Nations organizations, post-secondary institutions and other career/workforce development organizations to increase technical vocational programming opportunities for First Nations students' on-reserve;
- Liaise with Manitoba Education consultants on technical vocational education programs and tools being used throughout the province;
- Liaise with First Nation schools to identify the training requirements needed to implement technical vocational programming in First Nation schools;
- Develop a training plan with individual First Nations schools to fill vacancies in technical vocational education;
- Provide program coordination, expertise and consultation for initiatives in Technology Education related to Technical-Vocational, Industrial Arts, Human Ecology and Applied Commerce Education;
- Assist schools with curriculum supports and development in Technical Vocational, Industrial Arts, Human Ecology and Work Placement in collaboration with the educational community;

Other duties as assigned.

Qualifications

Education & Experience

- Bachelor of Education with specialization in one of the technical vocational education programs and/or a Technical Vocational Teaching certificate and Red Seal Certification with a minimum of two years experience;
- Strong understanding of the provincial technical vocational education framework and graduation credit requirements;
- Strong understanding of First Nations communities and governance structures;
- Excellent written and oral communication skills with experience in preparing presentations and written information for various audiences;
- Ability to facilitate community or group planning;
- Outstanding interpersonal, leadership, organization and community development skills;
- Computer literate and proficient;
- Ability to work independently and as a member of a multi-disciplinary team of professionals;
- Ability to relate to and communicate well with others;
- Ability to deal with highly confidential and sensitive matters;
- Ability to travel to First Nations throughout Manitoba;
- Provide satisfactory clearance of criminal record and provincial child abuse registry checks;
- Respect the philosophy that the answers are within First Nations, each First Nation is distinct, as well as, recognize the importance of First Nations languages and cultures.

Interested applicants are invited to submit their resume and cover letter (please state position title applying for), along with (3) professional reference listings (including a most recent employer reference) **by 4:00 p.m. Tuesday, November 30, 2021** :

Human Resources
Manitoba First Nations Education Resource Centre Inc.
2-1100 Waverley Street, Winnipeg, Manitoba R3T 3X9
