Closing Prayer, Elder |
| Session 1 | | | Creating Phrase/Vocabulary Lists
Melody Dumas - <i>Instructional Resource Developer</i>
Melody will provide templates for word/phrase list for teachers to translate into the Language. Teachers will have the opportunity to share and add more words or phrases to the lists. |
| Session 2 | | | Parental Involvement
Shawna Spence - <i>Instructional Resource Developer</i>
Shawna will discuss the importance of involving parents in learning language at school and at home. She will provide ideas on how to share what your students have learned in school. |
| Session 3 | | | Learning Centers & Interactive Activities
Charity Cooper - <i>Instructional Resource Developer</i>
Charity will demonstrate interactive activities that can be engaging to use in the classroom. |
| Session 4 | | | Land-Based Document
Sophie Boulanger - <i>Instructional Resource Developer</i>
Sophie will review the Land-based document and provide activities that can go with the lessons. |
| Session 5 | | | Creating Activities using Templates
Karen Taylor, <i>Language/Technology Developer</i>
Karen will help with creating/or editing templates. She will review some basic formatting in word and publisher to continue with resources/templates. |
