

Land-based Physical Education Facilitator

Authority

The Land-Based Physical Education Facilitator works under the supervisory function of the Languages and Cultures Coordination Team that is led by the Director of Languages and Cultures.

Purpose

The Land-Based Physical Education Facilitator will provide support to land-based physical education programming in schools by promoting innovative strategies and creative practices with Phys. Ed teachers. The facilitator will be guided by the philosophy of lifelong learning with languages and cultures as the foundation for all training and capacity development activities. The facilitator will work as part of the assigned Language Area Team and Specialty Area Team on the planning and development of instructional resources.

Specific Responsibilities

- Advise educators on effective Land-Based Phys. Ed program development and teaching strategies;
- Assist Phys. Ed teachers in implementing their local Phys. Ed programs;
- Assist in delivering informational workshops to all education stakeholders on effective Phys. Ed and Health programs;
- Advise school personnel in collaboration on purchasing Phys. Ed equipment and adaptive resources;
- Organize and lead regional Phys. Ed. Health and Wellness events.
- Ensure that the community education development philosophy is part of the approach utilized in the planning, development, delivery and evaluation of all initiatives;
- Identify, develop and deliver professional development support and instructional resources for teachers through the Professional Learning Communities (PLC);
- Ensure professional development and subject specific planning align with the school plans;
- Provide professional development opportunities and supports for teachers locally, regionally and provincially;
- Develop webinars and remote support as part of the Professional Learning Communities (PLC) strategy;
- Complete Service Report Tracking Reports (SRTS) on services provided in a timely manner;
- Participate in regular team meetings to plan and review progress of activities and projects;
- Ensure that reports are completed for assigned regional gatherings and community planning sessions; and
- Participate in special assignments, initiatives and projects as assigned/required.
